ABOUT US:

For over four decades, Mary Lou Hale's School of Dance has been sharing the joy of dancing with the people of Northern New Jersey.

In 1962, Miss Mary Lou brought together 12 neighborhood children for dance lessons in her home. From these modest beginnings, the studio continued to grow through the years. As time went by, there have been several locations throughout the town of Lake Hiawatha.

Mary Lou Hale's School of Dance moved to its current home in 1997. The studio located at 135 North Beverwyck Road features a state of the art building with two spacious studios as well as The Dance Store boutique.

We are proud to offer professional dance instruction to students ages 3 to adult. Staff and Instructors Biographies can be viewed at www.marylouhales.com. Our reputation for providing quality non-competitive dance lessons within a friendly and relaxed atmosphere is second to none.
